

HOMAGE TO PARTS FORGOTTEN
BY JANINE SOLURSH

All movement stemming
from foundation and root
Angles, arches, and bows
Pointe and flex, bare or boot

The first point of contact
And last to release
Punished severely
And cared for the least

Travel weary, bone bruised,
aching tender from use
I've rarely, if ever,
Paid mind to pay dues

Pour chaque pas ils m'ont ému
je pourrais aimer mes pieds plus
